Subject: RE: Northrop/Grumman Bethpage MW 116-5 Data

Hi Carol and Steve, Ed Hannon from Northrop Grumman sent us copies of a spreadsheet regarding sampling results from MW-116-5. The Jan 2015 results are within the range previously reported.

I've put together an informal line chart from their spreadsheet showing only TCE and TVOC. Should Henry also be sent a copy of the spreadsheet?

Rob
